Atty Docket No. INSG0011

Applicant specifically notes that this is the second Notice of Allowance received for this case. Applicant responded to the previous Notice of Allowance on December 18, 2006, at that time filing Formal Drawings and a completed Form PTO-2038 in the amount of \$1,030.00 in payment of the Issue Fee, Publication Fee, and Advance Order for 10 patent copies.

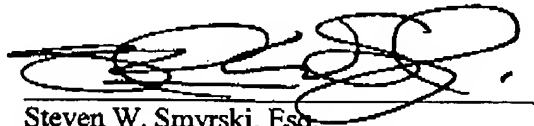

Applicant respectfully requests that the Formal Drawings previously submitted be used for publication of the patent issuing in this case.

Applicant further notes that the February 6, 2007 Notice of Allowance indicates an Issue Fee of \$700.00 is due. Pursuant to a conversation between Applicant's attorney and the Office of Patent Publication, as the Issue Fee had been paid on December 18, 2006, no Issue Fee is due at this time and no fees are required. Applicant had properly claimed Small Entity status previously. Applicant submits that payment of sufficient fees to cover the Issue Fee, Publication Fee, and Advance Copies fee for 10 copies has been received by the Patent Office.

Applicant therefore believes that no additional fees are required. Should it be determined for any reason an insufficient fee has been paid, please charge any insufficiency to ensure consideration and allowance of this matter to Deposit Account 502026.

Respectfully submitted,

Date: February 12, 2007
